

REMARKS/ARGUMENTS

Favorable consideration of this application, as presently amended, is respectfully requested.

The claims are amended without prejudice to no longer recite any multiple dependencies and “use of” language.

The present application is believed to be in condition for a full and thorough examination on the merits. An early and favorable consideration of the present application is hereby respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.
